### Full job description

#### TEAM MEMBER

#### About Grill'd

Grill'd is so much more than just nutritious burgers; it's an experience – made up of great ambiance and of course, brilliant customer service. We now operate over 150 locally-minded restaurants around the country! We're looking for awesome people to join our crew at Grill'd Knox.

#### What's involved?

- Being the face and the hands behind our brand
- Providing an amazing Grill'd experience front of house
- Prepping quality ingredients in the kitchen with love
- Becoming a whizz at all stations (chips, buns, dress bench, grill, wrap, floor & till)
- Making sure the restaurant is always sparkling clean
- Working as a team in a fast-paced, fun, quick-service casual dining restaurant environment!
- Working a range of shifts including weekdays, weeknights & weekends

#### What we look for:

We welcome previous experience in a customer-facing or kitchen environment, but this is a great entry-level role, so we can do the training. If you have a big appetite for learning (ok, and burgers) we will show you the rest. What you do

need is:

- Passion – We are driven, motivated and bring a positive energy & attitude every day
- Leadership – We always listen, communicate and connect with each other
- Ownership – Resilience & perseverance are part of success
- Trust - We always treat others as we want to be treated ourselves

**The good stuff:**

- A free burger when you're on longer shifts & discounts when you're not working
- Our managers put effort into your development and career progression
- Flexible rotating rosters to work around your life commitments
- Work for a company that genuinely cares about the environment, sustainability & the community
- Plenty of rewards and recognition for achievements

**What's Next?**

Shortlisted candidates will be contacted to complete an interview as part of the next stage of the recruitment process.

We're a hospitality business, so you need to be available for a mixture of shifts during the week and on the weekends.

Applicants must have (and be able to maintain) full, ongoing working rights in Australia.
