OPERATIONS

Full job description

In conjunction with our client, and our commitment to achieving a diverse workforce, we strongly encourage applications from Females, Aboriginal and Torres Strait Islander people. Hays are an equal opportunity employer and working in accordance with our client to achieve equality under the Equal Opportunity Act 1984 WA Legislation (section 13).

Your new company

Our client is among the world's top producers of major commodities including iron ore, metallurgical coal, copper and uranium. They extract and process minerals, oil and gas from its production operations located primarily in Australia and the Americas.

Your new role

You will be working on a key upgrade project at the Olympic Dam accommodation village where you will oversee large scopes of work across the project. You will use your strong commercial acumen coupled with exceptional attention to detail and time management skills to deliver results to the highest standards and ensure all work is done within strict safety guidelines and to set timeframes.

What you'll need to succeed

In order to be considered for this excellent opportunity you will have all the following:-

- You will have significant experience working in an onsite supervisory
