### Full job description

#### Your new company

A company that I have had much success with and a great relationship with the Director. So know exactly what they can offer. Not your standard PM firm. They are high end, in regards to projects, clients, offices, they expect the best. They look the best and act like the best. Don't be lost in a PM firm where you are just a number.

This medium sized project management business have multiple facets including Project Management, Development Acquisition, Capital Advisory and Development Management. With offices based in Melbourne and Sydney, this 41-person strong business are small enough to place a strong emphasis on their employees, and large enough to employ excellent systems and offer genuine career progression opportunities. Their expertise ranges across a diverse range of sectors including residential, retail, commercial, education and mixed-use sectors circa \$450M. A permanent position now exists for a Project Manager to join the team in Melbourne

#### Your new role

- Most importantly- mentored from a SPM / Director
- Involvement in diverse projects from inception to completion
- Liaising with clients
- Managing and developing client briefs
- Cost management
- Coordinating with project resources
- Managing the design process
- Contract Management

#### What you'll need to succeed

- A tertiary qualification relevant to construction, engineering, project

management or architecture

- Previous experience in a PM consultancy in Australia is a preferred
- If no direct PM experience, builder experience acceptable. Tier 1 or 2.
- Ability to manage projects on behalf of external and internal clients
- Have a good understanding of technical ability and understanding of construction process and project parameters
- An ability to interact with key stake holders and represent the organisation in a highly professional manner
- Exceptional presentation and communication, as this role requires a significant amount of client facing

What you'll get in return

- Mentored from a SPM / Director
- Exposure to a wide range of projects- don't get pigeon holed
- Access to fantastic training and long-term development opportunities
- The opportunity to learn from the best in the industry
- A company with an exceptional reputation in the market
- 2-way communication between employees and senior management
- Rock climbing, golf days, BBQ's, weekly drinks, lunch every Friday, Xmas party
- 6-month salary reviews and Christmas bonus
