Full job description

Your new company

This Big 4 Firm enables its people to feel valued and achieve their full potential. Joining them opens the door to a career that can cross borders virtually and physically to gain experience and access projects beyond Australia's borders. With a focus on flexibility and work-life balance, this Big 4 Firm is leading the way to shape an environment where everybody can thrive.

Your new role

As a Senior Analyst or Manager in our Adelaide team, you will have the opportunity to shape and drive the business. Working with our Directors and Partners, you are responsible for delivering to our clients while remaining focused on managing the workflow and growing the business. The Manager will be leading the team and managing the performance, careers and development of a group of talented staff.

What you'll need to succeed

You will be an experienced Tax professional with prior exposure advising high net worth individuals and their family groups within a Big 4 or mid-tier firm. You will have a strong client focus with the ability to manage a portfolio of diverse clients and engagements simultaneously. You will have strong communication and presentation skills and will have completed the CA qualification (or equivalent). The Manager will have proven experience building and leading high performing teams with a service excellence approach.

What you'll get in return

You will be joining a globally competitive team with a culture of continuous improvement and support. We value difference, and embrace people with diverse backgrounds and experiences.

You will receive training and support to continue your own professional development in the Firm so the sky will be the limit!
