Full job description

Your new company

Perth-based resource development company looking for a Field Tech to join their team at their Exploration Camp in Arnhem Land for this season June – November 2022.

Your new role

Working 10-hour days on a 2/1 FIFO roster your responsibilities may include:

- Lifting / collection of core trays from drill site
- Mark up of core / orientation
- Core photography
- ASD / pxf readings on core
- Town picks
- General field worker duties (e.g assist geos)
- General camp duties (e.g. rubbish runs, basic handyman work where required)

What you'll need to succeed

- Relevant experience
- A positive attitude and good work ethic
- Ability to pass a pre-employment medical and drug and alcohol screening (if required)
- Experience working remotely (preferred)
- HR Licence (preferred)
- Forklift Licence (preferred)

What you'll get in return

- Competitive daily rate

- Food and accommodation on site
- 5+ months of work
- The opportunity to develop your skills and learn a new role

What you need to do now

To apply please click '**Apply Now**' or email an up-to-date copy of your CV to **santriana.goodrem@hays.com.au**. For more information and a confidential discussion on this role or to find out about other opportunities, please contact Santriana at Hays on 08 8943 6037.
