Full job description

2XM Recruit are a leading National Provider of Recruitment & Labour Hire Services with over 10 years' experience supplying highly qualified Technical Engineering & Blue-Collar personnel to the Mining, Rail, Engineering & Construction industries across Australia.

The Client

Our client is the world's leading manufacturer of braking systems and supplier of additional sub-systems for rail and commercial vehicles providing innovative and custom-engineered solutions to deliver local market requirements. Taking pride in servicing, maintaining, refurbishing, and upgrading their rail and mining products.

About the role:

Reporting to the Work Supervisor at their Paget facility an excellent opportunity exists for an enthusiastic, service focused and hard-working warehouse person to join their team.

Key responsibilities include:

- Receiving, unpacking and storage of incoming goods.
- Picking, packing and despatch of goods.
- Completion of associated paperwork.
- Inventory management through SAP software
- Stocktakes and stock management.
- Use of forklifts/machinery to move goods.

About you – Skills and experience:

- Current Forklift Ticket essential.
- Current drivers' licence and own reliable transport required.
- Experience in the Rail or Heavy Plant or similar background will be

highly regarded.

- A strong work ethic.
- Enthusiastic and willing to learn.
- Motivation to provide high quality service delivery.
- Strong attention to detail.
- Participate as a willing and productive member of the team.
- Good computer skills. (SAP experience Advantageous)
- Commitment to improving product knowledge and other skills in the industry.

If you are interested in a fulltime career within the rail sector apply now for confidential interview.
