Full job description

Your new company

You will be joining a truly unique, committed and respected firm who are great at what they do and a valued contributor to the community. They are one of the largest professional accounting and financial services firms in South Australia and part of a worldwide network of independent accounting and consulting firms.

Your new role

As an Audit Manager, you will be responsible for leading a wide range of external audit work and managing client relationships for a diverse range of clients. You will also have responsibility for the coaching and development of those in your team and will be provided with ongoing learning and career development opportunities including global conferences and the ability to connect both nationally and internationally within the Firms network.

For the Senior Auditor, core responsibilities will include; assisting with financial statement audits, assisting with the full process of audit engagements, conducting of audit transaction and balance testing, preparing of general purpose and special purpose financial statements and reports.

What you'll need to succeed

You will have relevant External Audit experience for the role you wish to be considered. You will have completed the CA or CPA Program and with excellent communication skills, both written and oral, you will possess strong personal impact and the ability to develop relationships with colleagues and clients.

What you'll get in return

You will be joining one of Adelaide's leading Chartered Firms with a fantastic support network. A highly competitive salary and fantastic working environment will ensure your success in the position. You will have the opportunity to play a key role in a firm that will support your development at every opportunity. On top of that you will be a part of a firm that believes strongly in its culture and continually rewards its staff for their contribution to the business.

What you need to do now
