Full job description

Your new company

This proudly SA owned organisation is a key provider of fabrication services to the Olympic Dam mine site, township of Roxby Downs and the Upper Spencer gulf region.

Your new role

Reporting to the Operations Manager, your new role will require you to support and manage business operations for all fitting and machining both workshop and site based. The role is responsible for onsite supervision, daily planning of the fitting / machining team, and client relation for existing customers.

Additionally, you will:

- Supervise and manage the Machine Shop team and any sub-contractors in terms of safety, program, productivity and quality to meet industry and company standards
- Quote and Schedule all jobs to ensure optimum staff utilisation, efficiency, customer service and quality
- Utilise and oversee operational use of job management systems
- Raise Purchase Orders for Materials

What you'll need to succeed

To be successful in this role, you will have:

- Relevant Trade Qualification
- Cert IV in Leadership or Management (or willing to undertake)
- Previous experience in a similar role
- Olympic Dam site experience (desirable)
- Exceptional written and verbal communication skills

What you'll get in return

In return, you will be part of a passionate and skilled team of professionals that are proud of the projects they produce. Your team will value your input into the

business, and you will be rewarded with a competitive salary and flexible schedule.

What you need to do now

If you're interested in this role, click 'apply now' or forward a current copy of your cv to Julian at julian.grasso@hays.com.au

At Hays, we value diversity and are passionate about placing people in a role where they can flourish and succeed. We actively encourage people from diverse backgrounds to apply.
